this volume investigates interdisciplinary intersections between law and the humanities from the renaissance to the present day it allows for fruitful encounters between different disciplines from literature to science from the visual arts to the post human from the postmodern novel s experimentation to most recent approaches towards the legal interpretation of literary texts this productive dialogue fosters original perspectives in the interpretation of and reflection upon identity justice power and human rights and values thus underlining the role of literature in the articulation of relevant cultural issues pertaining to specific periods

essay from the year 2014 in the subject politics international politics topic public international law and human rights grade 62 merit uk system university college london school of public policy language english abstract in this essay i have focused on the very content of human rights thereby relating to the debate between universalist and cultural relativist theory while the former promotes the idea of equal rights for all human beings and considers culture irrelevant for the validity of moral rights the latter views culture as the exclusive source of moral rights donnelly 1984 400 and stresses that right and wrong differ from culture to culture tilley 2000 501 in the light of this debate i have argued that human rights are not merely western constructions as they withstand despite their historical and geographical significance accusations of cultural superiority tilley 2000 527 and of evaluations of other cultures according to the terms and conditions of western culture oxford dictionaries 2013 or in short of western ethnocentrism i have held this premise as response specifically to the allegation of cultural insensitivity brought

forward by cultural relativism which emphasizes human rights ignorance towards cultural complexities by prioritizing some values over others thereby disregarding the collective spirit of some communities this is said to render the concept of human rights inapplicable in non western societies i have counter argued that the human rights conception is culturally sensitive as it recognizes diversity of moral views by promoting freedom of choice and the inclusion of voices otherwise left unheard under the umbrella of collectivism thereby i have shown that universal values can indeed be justified while cultural relativism fails to provide a sufficient explanation for moral validity in this respect i shall challenge the term culture and will show that human rights advocate t
